## Enrollment to Participate in the U.S. Department of Education's Student Aid Internet Gateway (SAIG)

### About Enrollment

"We" and "us" refer to the *U.S. Department of Education (ED, Department)* in this form. "You" and "your" refer to the organization applying to participate.

This enrollment process can enable you to receive, transmit, view, and update student financial aid data available through ED's *Student Aid Internet Gateway*, referred to as *SAIG*. There are no deadlines for submitting this application. After you enroll, we will automatically continue your active enrollment from year to year, unless you tell us otherwise.

The following entities are eligible to enroll in the SAIG:

- postsecondary schools that participate in federal student financial aid programs,
- organizations that provide services to these schools (third-party servicers),
- guaranty agencies for student loans,
- lenders or their servicers for the Federal Family Education Loan (FFEL) Program, and
- others approved by the U.S. Department of Education.

Through this enrollment process, you also can add and change information about yourself and your organization. To add and change information, check Step 1, Question 1, Box C on page 7; fill in the information that has changed for any questions in Steps 1 and 2; complete Steps 3 and 4; and send your application to the address below.

This form can be completed on-line at [www.fsawebenroll.ed.gov](http://www.fsawebenroll.ed.gov).

You may photocopy this form, but you must always send us original signatures for Step 3 and Step 4. **We will not accept photocopied or stamped signatures. Expired forms will also not be accepted.**

If you have any questions about completing your application, please call CPS/SAIG Technical Support at **1-800-330-5947**.

At the end of this form you will find a glossary that will assist you in understanding many technical terms and acronyms commonly used in relation to the Title IV student financial aid programs. The first usage of any term found in the glossary is *italicized* in this document.

### General Information

By enrolling your organization in the SAIG, you will be able to exchange information electronically with the U.S. Department of Education. Many student financial aid services can be accessed via the SAIG. You must determine which services are needed by your school or organization and enroll appropriate individuals as *Destination Point Administrators (DPAs)* for the specific services that you want them to access. When you enroll a new DPA, a destination point will be established with an assigned "TG" number that identifies the

DPA's destination point on the SAIG. The TG number will be mailed to the Financial Aid Administrator upon successful processing of the enrollment form.

You may enroll Destination Point Administrators with their own destination points (mailboxes) for each service or function, or you may combine services and functions through a single Destination Point Administrator (DPA) with a single Destination Point (DP). Many institutions find a single DPA and DP is sufficient. The number of destination points allowed is provided in the following table.

Service	Number of Destination Points Allowed
1. Direct Loan (All)	One
2. CPS, Submit Initial App. Data	Two
3. CPS, All Other Functions/Types	One
4. Pell Grant Processing/Batch Files	One
5. Campus-Based Programs, FISAP	One
6. Cohort Default Rate Package, Batch	One
7. NSLDS, Batch Files	One
8. NSLDS, On-line	No Limit
9. FMS, Lender Reporting System (LaRS)	One

The Department's *Electronic Data Exchange (EDE)* services that can be accessed over the SAIG are:

1. Federal Direct Loan Program (Direct Loan Program): Participation in the Direct Loan Program, application processing, drawing and disbursing funds, and program reporting will all involve the transmission of data over the SAIG. Direct Loan schools must be enrolled on the SAIG. To enroll a DPA for a destination point with Federal Direct Loan Program data capability, complete Step 1; Step 2, Questions 6 and 7; Step 3; and Step 4.

2. & 3. Institution Applicant Data Service (performed by ED's Central Processing System (CPS)): Student application data including corrections can be entered and obtained over the SAIG. Student application data is received via a paper or electronic version of the *Free Application for Federal Student Aid (FAFSA)* and reported to the school via the *Institutional Student Information Record (ISIR)*. To enroll a Destination Point Administrator with access to these services, complete Step 1; Step 2, Questions 6 and 8; Step 3; and Step 4. (Note: Only one destination point can be used to exchange data with **each** of the CPS applicant data functions, except in the case of initial FAFSA applicant data, two destination points are permitted.)

4. Federal Pell Grant Program: The Federal Pell Grant Program payment system allows payment and required reporting information to be exchanged electronically via the SAIG. All participants in the Federal Pell Grant Program must transmit payment and reporting data over the SAIG. To enroll for this service complete Step 1; Step 2, Questions 6 and 14; Step 3; and Step 4.

5. Campus-Based (CB) Programs: The CB programs, as they are collectively known, include Federal Work-Study (FWS), Federal Supplemental Educational Opportunity Grant (FSEOG), and the Federal Perkins Loan program. The application method for enrolling and participating in one or all of the CB programs is the FISAP (Fiscal Operations Report and Application to Participate). The annual submission deadline for the FISAP is October 1. To establish a destination point, please complete Step 1; Step 2, Questions 6 and 9; Step 3; and Step 4.

6.-8. National Student Loan Data System (NSLDS): The NSLDS is a national database that collects and maintains individual student data (unit specific) for all federal student loan borrowers with outstanding loan balances and selected grant data. All institutions that participate in the Title IV federal student financial aid programs must have at least one destination point for NSLDS services that includes on-line Enrollment Reporting (formerly SSCR) function for updating student enrollment data, and overpayment update. **Since January 1, 2003, institutions have and will continue to receive their cohort default rate (CDR) notification packages (eligibility letters and loan record detail report) via their SAIG mailbox.** Institutions whose CDR exceed regulatory thresholds may be subject to loss of program eligibility. Therefore, it is critical that the appropriate Destination Point Administrator be designated for this service. To enroll a DPA with a destination point for these services, complete Step 1; Step 2, Questions 6, 10, 11, and 12; Step 3; and Step 4.

If the Department of Education has valid email addresses for the President and Financial Aid Administrators of your school as provided to FSA's Postsecondary Education Participant system, the Department will be able to provide a courtesy alert email message each time we distribute cohort default rate notices. Your school may provide email address and other school contact information via a simple update to the Application for Approval to Participate in Federal Student Financial Aid Programs. This application is available on the World Wide Web at [www.eligcert.ed.gov](http://www.eligcert.ed.gov). Specific instructions for how to update this application with your school's e-mail address and other contact information fields are available at <http://ifap.ed.gov/eannouncements/0518Emailaddphone.html>.

9. FMS, Lender Reporting System (LaRS): The LaRS allows lender institutions or their servicers the option to send financial reporting information to Federal Student Aid's Financial Management System (FMS) via their SAIG mailbox. To enroll for this service, complete Step 1; Step 2, Questions 6 and 13; Step 3; and Step 4.

Once we receive all necessary signatures from you, we will process your enrollment. If your enrollment was for a new TG number, we will send your SAIG TG and customer numbers to you.

To participate on the SAIG your organization must use designated electronic processes. For information on these electronic processing requirements, see the notice published in the Federal Register on September 14, 2004. If you have questions regarding any of these requirements, please contact CPS/SAIG Technical Support at 800-330-5947 or send email via the Internet to CPSSAIG@ed.gov.

To complete this enrollment process, you may need the following information:

- Currently enrolled organizations will need their existing TG number(s) of current destination point(s), the names of Destination Point Administrator(s) (DPAs) or contacts, and the customer number(s). Customer numbers begin with the letter "Z".
- Postsecondary institutions will need the OPE-ID number. If your school participates in the Pell Grant Program and/or Direct Loan Program, you will also need the institution's Pell Grant Code (Federal School Code) and/or Direct Loan Program numbers. To find these numbers, look at the reports your school has submitted for these programs in the past, your Eligibility and Certification Report (ECAR), and your institution's Program Participation Agreement (PPA). You can call ED's School Eligibility Channel at 202-377-4277.
- Guaranty agencies will need the guaranty agency (GA) code number assigned by ED. A list of active and inactive GA codes is contained in the instructions for the Guaranty Agency Financial Report -- Form 2000.
- Lenders will need the lender ID number assigned by ED. Participating lenders will find their lender ID numbers on the Lender Application Process or LaRS forms accessible via [www.fp.ed.gov](http://www.fp.ed.gov).
- All individuals completing this form will need the name, address, Social Security Number (SSN), date of birth, and mother's maiden name for each Destination Point Administrator, current and new.

## How Student Aid Internet Gateway Enrollment Works

By completing this application, you will be enrolling individuals as Destination Point Administrators (DPAs) for destination points (mailboxes) on the SAIG. Enrollment is designed to secure the integrity of data that is exchanged between you and the many services accessed over the SAIG. Before beginning to complete the application, you should determine the SAIG services that your organization must access, the appropriate people who need to interact with those systems, and the number of destination points required.

Each destination point must be assigned an individual to serve as its DPA. Except in the case of some NSLDS services, the DPA can give access to the enrolled services of a destination point to multiple individuals called SAIG Users (see Attachment B). You should make additional copies of Steps 2-4 to accommodate the total number of DPAs you seek to enroll or update.

### Example

A common enrollment for a school financial aid office that participates in the Pell Grant program, the campus-based programs, and the Federal Family Education Loan Program includes two Destination Point Administrators (DPAs) with assigned mailboxes (destination points) that are identified on the network by the TG numbers. The first DPA (DPA-1) is responsible for nearly all of the electronic transmissions across the SAIG. DPA-1 and the assigned destination point (mailbox) is set up to send and receive data related to the FAFSAs and ISIRs (CPS), Pell Grant payments, FISAP reporting, and NSLDS (reporting and on-line functions). DPA-1 may allow others to access all the services accessible through his/her mailbox, except the on-line NSLDS functions. Therefore, the school enrolls a second individual as a DPA (DPA-2) with a second destination point so that a second individual can access NSLDS on-line.

Where permitted, the Destination Point Administrator will determine the SAIG Users allowed access to that destination point. The DPA must enforce the security requirements as outlined in the SAIG User Statement (see Attachment B). Your President/CEO/Chancellor, the equivalent, or designee must certify that each DPA has developed secure procedures in compliance with the security requirements for permitting other people to use his/her destination point (see Step 4). The DPA also must complete a profile for each SAIG User within the EDconnect software used to connect to SAIG. See EDconnect Help Text for instructions.

Note: If you want to cancel the enrollment of any DPAs, send a letter on organization letterhead identifying the TG numbers that you want cancelled. The letter should be mailed to CPS/SAIG Technical Support, P.O. BOX 4229, Iowa City, IA 52244-4229. This can also be completed on-line at [www.fsawebenroll.ed.gov](http://www.fsawebenroll.ed.gov).

## Instructions for Completing Enrollment

Before you begin, make copies of Steps 2 through 4 for each Destination Point Administrator (DPA) you are enrolling or providing new information.

### Step One

Step One collects information about your organization.

1. This enrollment form can be used for multiple purposes. You may use the enrollment form to enroll new participants on SAIG such as a newly eligible school or a third-party servicer or lender that has never used SAIG for any reason. You can also use the enrollment form to change or to add information about an existing Destination Point Administrator (DPA) or Destination Point (DP), and to add destination points for an already enrolled organization.

Check “A” if you are a first-time participant and your organization does not have a TG number.

Check “B” if your organization is enrolled on SAIG and you want to add a destination point. Provide the customer number of your organization.

Select “C” if your organization is enrolled on the SAIG and you want to change or add any information about an existing destination point. Fill in the information that has changed for any questions in Steps 1 and 2; and complete Steps 3 and 4. If you are uncertain of what to complete, call CPS/SAIG Technical Support at 1-800-330-5947.

2. Provide the name of your organization as you would like it to appear on all SAIG correspondence. (The limit is 40 characters, including letters and spaces.)
3. Check the appropriate box to indicate the type of organization.
4. Check the appropriate box to indicate if you will be using a personal computer, a mainframe system, or both to send and receive transmissions via the SAIG.
5. Each school must identify a single individual responsible for receiving any correspondence for SAIG services. If you have provided a customer number in Question 1.B and there are no changes in the identifying information requested in Question 5 for the individual receiving the information, skip this question and go to Question 6. If you do not have a customer number, or you need to change any of the information associated with your current customer number, complete all the information requested in Question 5.

<p>If you have any questions about completing your application, please call CPS/SAIG Technical Support: <b>1-800-330-5947</b></p>

## Step Two

In Step Two you will identify the Destination Point Administrator (DPA) you want to enroll or for whom you are changing or adding information. You should make additional copies of Steps 2-4 for each DPA you are enrolling or updating information.

6. All information must be provided for each Destination Point Administrator you wish to enroll for the organization you identified in Question 2. This information will be used to authenticate a user's identification when a password change is requested.
7. If your organization participates in the Federal Direct Loan Program and the Destination Point Administrator identified in Question 6 will be assigned to submit and receive Federal Direct Loan Program data, please identify the years that the DPA in Question 6 will need to access Direct Loan data. Also, please provide the school's Direct Loan code. If the DPA is already enrolled and you are only updating information for that DPA, provide the TG number for that DPA's destination point.
8. A. If this DPA will be sending and receiving student applicant data (FAFSAs and ISIRs), complete all required information including the *Federal School Code* (formerly called "Title IV Code").

If this enrollment is for a DPA that will not be involved in any CPS applicant data transmissions, go to Question 9.

## Step Two: Tell us about each Destination Point Administrator at your organization.

6. Complete the following information for each Destination Point Administrator you wish to designate at your organization. Each Destination Point Administrator will be assigned a destination point with an identification number (TG number).

Note: Photocopy Steps Two, Three, and Four BEFORE completing the information if you are designating more than one Destination Point Administrator and or need more than one destination point.

### **Step Three**

Step Three collects the required agreements from the Destination Point Administrator identified in Step Two.

Each Destination Point Administrator must read and sign this statement. The original signature form must be attached to your completed enrollment form and submitted to CPS/SAIG Technical Support, P.O. Box 4229, Iowa City, Iowa 52244-4229. A copy of each signed and dated statement must be maintained by your organization. Once we receive all necessary signatures from you, we will process your enrollment. If your enrollment was for a new TG number, we will send your SAIG TG and customer numbers to you.

## Step Three: Responsibilities of the Destination Point Administrator.

**Each SAIG Destination Point Administrator must read and sign this statement and keep a copy on file.**

1. Responsibilities of the Destination Point Administrator.
  - The Destination Point Administrator must maintain a profile within the EDconnect software and a SAIG User Statement for anyone who has permission to use his or her destination points. (See the EDconnect Help Text for instructions about how to create and maintain these profiles. See Attachment B of the SAIG enrollment document for the user statement.)  
IMPORTANT: Only the Destination Point Administrator himself or herself is permitted to use the National Student Loan Data System (NSLDS) destination point that has the information listed in Question 12 on page 15. Permission to use this destination point for NSLDS CANNOT be granted to anyone else.
  - The Destination Point Administrator will use software provided by ED to monitor his or her SAIG destination point. This software will keep track of who is using the destination point, what information is being used, the date and time, and the batch number (if applicable).
  - Use of SAIG is subject to monitoring, recording, and periodic auditing to ensure that resources are functioning properly and to protect against unauthorized use. By using SAIG, the Destination Point Administrator is expressing consent for such monitoring, recording, and auditing, and is acknowledging that information gained in this manner may be disclosed to an appropriate third party (for example, law-enforcement personnel).
2. Appropriate use consists of the following:
  - Using SAIG computing resources for official government business. (Any other use must first be approved by the U.S. Department of Education.)
  - Protecting all SAIG information from access by or disclosure to unauthorized personnel.
  - Prohibiting password sharing and the sharing of system access and any tools that allow access to SAIG. (These tools are called “authenticators.”)
  - Accessing only systems, networks, data, control information, and software for which the Destination Point Administrator is authorized.
  - Knowing procedures for sanitizing stored information (for example, overwriting disks that contain sensitive information before reuse).
  - Informing SAIG management when the Destination Point Administrator no longer needs access to a SAIG resource, such as when the Destination Point Administrator changes jobs or leaves employment.
3. Agreements
  - The Destination Point Administrator understands that if he or she intentionally submits false or misleading information to the U.S. Department of Education, he or she will be subject to a fine up to \$10,000, imprisonment for up to five years, or both, under provisions of the United States Criminal Code (including 18 U.S.C. 1001). The Destination Point Administrator also agrees to comply with all provisions of Section 483 of the Higher Education Act of 1965, as amended.
4. Privacy Act Statement
  - The information provided to the Destination Point Administrator by the U.S. Department of Education is protected by the Privacy Act of 1974, as amended. Protecting this information, once it is entrusted to the Destination Point Administrator, becomes his or her responsibility. Therefore, the Destination Point Administrator agrees to protect the privacy of all information that has been provided to the Destination Point Administrator by the U.S. Department of Education. The Destination Point Administrator understands that any person, including himself or herself, who knowingly and willfully requests or obtains any record concerning an individual from an agency under false pretenses shall be guilty of a misdemeanor and may be fined not more than \$5,000.

## Attachment A: Glossary Attachment A: Glossary

*Award Year.* Spans from July 1 of a year through June 30 of the next year. For the Federal Pell Grant and campus-based programs, eligible students are paid out of funds designated for a particular award year, such as the 2005-2006 award year (July 1, 2005 through June 30, 2006).

*Campus-based Programs.* The Federal Perkins Loan, Federal Work-Study (FWS), and Federal Supplemental Educational Opportunity Grant (FSEOG) programs are often collectively referred to as the campus-based programs because the funds for these programs are awarded directly to the school for awarding and administration.

*Central Processing System (CPS).* ED's application data processing facility. The CPS uses student information from the *Free Application for Federal Student Aid* (FAFSA) to calculate the student's official Expected Family Contribution (EFC), creates and transmits to schools the *Institutional Student Information Record* (ISIR), and prints and mails to the student the (ISIR), and prints and mails to the student the *Student Aid Report* (SAR).

*Common Origination Disbursement (COD).* Processes Direct Loan and Pell Grant data.

*Destination Point.* An electronic mailbox that physically transmits and receives financial aid data via the SAIG. Every destination point is administered by a Destination Point Administrator (DPA) and has an electronic mailbox number that begins with the letters "TG." (See *Destination Point Administrator*.)

*Destination Point Administrator (DPA).* An individual representing an organization involved in the administration of Title IV student financial aid programs, (such as a postsecondary institution, FFEL lender, FFEL guaranty agency, third-party servicer, or software provider) who is enrolled on the SAIG and assigned a destination point. To enroll as a DPA on the SAIG, an organization's representative must complete and submit for processing the Enrollment Form to Participate in the U.S. Department of Education's Student Aid Internet Gateway. (See *Destination Point*.)

*EDconnect.* ED's telecommunications software that allows PC users to send and receive data via the SAIG.

*EDExpress.* A software product provided by ED that allows institutions to enter, edit, manage, and report Title IV student financial aid application data and Federal Pell Grant payment data. This software also has functions that institutions can use to package financial aid awards, originate Direct Loans, and print Direct Loan promissory notes.

*Electronic Data Exchange Electronic Data Exchange (EDE).* The ED-sponsored program that allows participating destination points to exchange electronically federal student aid applicant data, and Direct Loan data, for the SAIG.

*Enrollment Reporting Schedule* (formerly SSCR). Report completed by schools or their servicers and used in the administration of the Federal Family Education Loan Program to track the enrollment status of borrowers.

*Free Application for Federal Student Aid Free Application for Federal Student Aid (FAFSA).* The application that the student must file to apply for aid from any Title IV program, including the FFEL and Direct Loan programs. The FAFSA is printed and distributed free of charge by the U.S. Department of Education. Students can also apply electronically by using FAFSA on the Web (<http://www.fafsa.ed.gov>).

*FISAP*. The annual report institutions file to report on their use of campus-based program funds for the most recently completed award year and to apply for new funds for an upcoming award year.

*Guaranty Agency (GA)*. An organization authorized by the U.S. Department of Education to administer the federal guarantee that Federal Family Education Loans will be repaid.

*Institutional Student Information Record (ISIR)*. The ISIR is an electronic federal output document produced by the CPS from FAFSA data. The ISIR is sent to the student's school.

*Lender Reporting System (LaRS)*. The LaRS allows lender institutions or their servicers the option to send/receive financial reporting information to Federal Student Aid's Financial Management System (FMS) via their SAIG mailbox.

*National Student Loan Data System (NSLDS)*. A national database of student loan-level information and selected grant data on aid disbursed under the Title IV programs.

*Student Aid Report (SAR)*. The paper federal output document produced by the CPS and mailed to the student. The SAR contains the family's information and other information as reported by the student on the FAFSA.

*Social Security Number (SSN)*. Number assigned to an individual by the U.S. Social Security Administration and used as identifying number for many federal purposes including federal student financial aid program administrators and applicants.

*SAIG (Student Aid Internet Gateway)*. The SAIG links thousands of destination points across the United States, its territories, and certain ED-designated foreign countries to the Higher Education Act's Title IV student financial aid programs and delivery system. Organizations enroll individuals as Destination Point Administrators (DPAs) on the SAIG. DPAs are assigned destination points (electronic mailboxes) which receive and transmit data for various Title IV student aid program system services such as NSLDS, Direct Loan, and CPS. (See *Destination Point and Destination Point Administrator*.)

*SAIG User*. An individual allowed access to a destination point by the assigned Destination Point Administrator (DPA). A SAIG User must read and sign a SAIG User Statement which the DPA must maintain.

*U.S. Department of Education (ED, Department)*. The federal agency responsible for the administration of federal education programs including the federal student financial aid programs.
